Coderbyte

<https://coderbyte.com/>

The screenshot shows the Coderbyte website homepage. The header is dark blue with the Coderbyte logo on the left and navigation links for "Developers" and "Organizations" on the right. The main content area is white and divided into two columns. The left column is for developers, featuring a code icon, the text "FOR DEVELOPERS", the headline "Improve your coding skills.", a subtext "The industry's #1 website for technical interview prep, coding challenges, and expert videos.", and a button "Try a free challenge →" with a link "or Learn more". The right column is for organizations, featuring a magnifying glass icon, the text "FOR ORGANIZATIONS", the headline "Interview and evaluate candidates.", a subtext "The industry's #1 code assessment platform for screening, interviews, and take-home projects.", and a button "14-day free trial →" with a link "or Learn more". At the bottom is a large illustration showing a developer working on a laptop, a magnifying glass over a profile card, and a person holding a document, with various icons and logos like Samsung and Microsoft in the background.

CodeChef

<https://codechef.com/>

The screenshot displays the CodeChef website interface. At the top left is the CodeChef logo. On the top right, there is a button labeled "New User / Login". Below the logo, a navigation bar contains links: Home, Practice, Compete, Learn, Discuss, Associate with Us, and More from CodeChef. The main content area features a large banner for "CCDSA | CODECHEF CERTIFICATION IN DATA STRUCTURES & ALGORITHMS". The banner includes the text "Be CodeChef Certified!", "Upcoming Exams for Foundation and Advanced Level on 05th Jun", and an illustration of a target with an arrow. To the right of the banner, a text box titled "CodeChef Certification in DSA" states: "CCDSA is back on CodeChef! Enroll for the upcoming Foundation and Advanced level exam scheduled for 5th June 2022." Below this text is a "Know More" link with a right arrow. At the bottom of the banner, there is a pagination indicator "04 / 06" and navigation arrows. Below the banner, a section titled "Events and Contests" is visible, with a sub-section "UPCOMING EVENTS" below it.

Topcoder

<https://topcoder.com/challenges>

The screenshot displays the Topcoder website's challenges page. The header includes the Topcoder logo, navigation links for BUSINESS, COMMUNITY, Compete, Tracks, Explore, and Discord, and buttons for LOG IN and SIGN UP. A search bar is located below the header. A teal banner message reads: "Click here if you'd like to visit the new Beta Challenge Listings site". The main content area is divided into a left sidebar and a main list of challenges. The sidebar contains filters for Active/Past Challenges, Open for registration (30), Open for review, Track (Design, Development, Data Science, QA), Type (Challenge, First2Finish, Task), and Sub community (All). The main list shows five challenges, all with a "Submission" type and a "29d 23h to go" deadline. The challenges are: 1. Topcoder Challenge Listing Reskin - QA - Element Style Issues (\$75 Purse), 2. Topcoder Challenge Listing Reskin - QA - Past Challenge Issues (\$50 Purse), 3. Topcoder Challenge Listing Reskin - QA - Open for Registration Issues (\$75 Purse), 4. Topcoder Challenge Listing Reskin - QA - Calendar Picker Issues (\$100 Purse), and 5. Volta Trucks - Fixes Payment for HeVy May 13rd (\$120 Purse). A "Support" button is visible in the bottom right corner of the challenge list.
